

## Loan Overlap Clearance

It has come to our attention that you may have an overlapping loan issue with your federal educational loan(s) that you recently received at another school. This typically happens when you stop attending a previous school but have not officially withdrawn from that school. Please be sure you have completed all the necessary requirements to withdraw from your previous school.

Please also contact the financial aid office of your previous school to let them know that you will be attending Los Angeles Pacific University. They will need to cancel your pending loan disbursements and update your loan period with the Federal Government to enable LAPU to award you financial aid.

It is very helpful if you could let us know the name of the person you spoke with in the financial aid office and to provide us with a contact number. This will enable us to follow up with your previous school should we encounter any issues.

If you have questions regarding this, please contact Student Financial Services at (626) 624-4673 or [sfs@lapu.edu](mailto:sfs@lapu.edu)
